PERSPECTIVE PLAN
FOR THE ACADEMIC YEAR
2017-2018 TO 2022-2023

The college does have a distinct quality policy oriented towards achievement of the institutional vision, mission and objectives. The policy pronounces that the college is committed to provide quality higher education, particularly in science to bring about the social change in the rural area. We are passionate about making a positive impact on them. Externally, we are driven to deliver our mission and convinced of the transformative power of education and research to them for their betterment. Our institution has distinct characteristics which have guided Basic sciences, information technology and computer science disciplines.

The Quality Policy is an outcome the brainstorming, deliberations and joint ventures of the top management of parent institution, CDC, IQAC and Coordination committee which formulates planning and its subsequent execution for the overall development of the stakeholders.

The IQAC revises and reviews the quality policy through the involvement of stakeholders. The "Quality Policy" of the College is driven by the teaching and non-teaching staff of the College and also by our students. It is firmly centered on the needs of the learner and standards of teaching and learning experience. The IQAC identifies the areas of institutional strengths, weaknesses, opportunities and challenges for planning and setting up measures to attain expected quality in all the segments of the college.

The college does have a perspective plan for development worked out immediately after the First Cycle of Accreditation by NAAC. The plan is developed in purview of the seven criteria laid down by NAAC and in consultation with the top management of parent institution, CDC, IQAC Administrative staff, faculty and student representatives.

PREAMBLE

The College has prepared a Perspective Plan for the period of five years commencing from academic year 2017-18 to academic year 2021-22. The perspective plan has been chalked out in the purview of quality indicators of seven criteria determined by NAAC.

Internal Quality Assurance Cell (IQAC) of the college has taken initiatives in the preparation of the Perspective Plan. Inputs from all stakeholders, their expectations, management policies and goals and objectives of the college are considered as a base for the formulation of the perspective plan.

The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality measures. Feedback from all the stakeholders and the recommendations of the IQAC are taken into account in the drafting of the perspective plan.
