## **Mechanism of internal assessment**

### **MECHANISM OF INTERNAL ASSESSMENT**

An adequate importance is given to the mechanism of internal assessment to be transparent and robust in terms of frequency and mode. The separate provision of marks is made for the overall conduct of the students, written and oral communication skills, projects, presentation, viva-voce evaluation. Significant improvements made in ensuring rigor and transparency in the internal assessment as given below,

#### **Transparent and Robust: -**

We have conducted online tests for internal assessment process using Google form and supervision is done online by the teachers by keeping students video on. The live online seminar presentation of students was conducted on Microsoft team software. Similarly, different internal assessment process like, assignment, seminars, research projects, presentations, viva-voce examinations, competitions were conducted transparently on online mode using Microsoft team software and supervision by teachers. We also have the provision of Well-equipped Examinations / Strong room, CAP room for transparent and robust mechanism of internal assessment.

#### **Frequency of the Internal Assessment: -**

As per the University Guidelines, internal evaluation examinations like Student's seminar, Project presentations and Viva-vice are conducted at the end of each semester. Similarly, other modes of internal evaluations like assignments, tests, and competitions are conducted periodically by the departments.

### **Different Modes Internal Assessment: -**

The modes of internal assessment adopted by the college include, Internal examinations, Practical examinations, Research project presentations, Home assignment, Seminar presentation, Viva-voce, Competitions and participative activities.

The Institute has taken initiatives for Online Continuous Internal Evaluation (CIE) of the students by adopting following formative evaluation approaches:

- Attendance in the class
- Written/Oral testing
- Open Book Tests
- Active participation in the Classroom interaction
- Question-answer sessions
- Home assignments
- Unit Tests
- Class Tests
- Classroom Seminars
- Presentations
- Group Discussions
- Projects
- Survey
- Viva-voce
- Surprise Tests
- Participation in curricular, co-curricular and extra-curricular activities/ competitions, etc.,
- Uploading study material on Google classroom / WhatsApp groups.
- Online Theory and Practical Examination
- Uploading Sample Question bank on College website.

**For Continues Internal Evaluation following reforms were undertaken by the college: -**

- Conducted different skill based Short Term Certificate and arranged CIE under the courses.
- Conducted E-test, online tests, Online Quiz.
- Conduced Mock examinations.
- Assigned projects on recent research topics to the students.
- Arranged Student Seminars.
- Arranged Essay Writing and Elocution Competitions to evaluate writing and presentation speech related skills of the students.
- Conduced Group discussions to assess the interactive skill in the students.
- Arranged Surprise Tests, Open Book Tests and Unit Test.
- Participated in "College Avishkar Research Convention' to test the scientific temper and research aptitude of the students.
- Allotted Home assignments.
- Adopted innovative evaluation methods which includes google form test, Google class Quiz etc.

The Institute prepares its Academic calendar and strictly adhered for Conduct of the examination and other related matters

- Academic Calendar for next academic is prepared by the end of April every year.
- It is a comprehensive plan of all the academic, co-curricular and extracurricular activities.
- It spells out academic terms, schedule for admission, meetings of IQAC and various committees, internal evaluation, semester end examination, holidays, working hours of office and library, study tours, annual sports, NSS, WDC and DLLE activities, Youth Festival, celebration of special days and other related academic, curricular and extra- curricular activities.
- The academic calendar is communicated in advance to the Departments for the effective execution of the planned activities.
- The academic calendar is published in the college prospectus and made available through the college website for the knowledge of students and stakeholders.

**Continuous Internal Evaluation (CIE) Included in Academic Calendar of the College: -**

College display calendar for CIE in is Academic Calendar. College mentions the all details of Academic and Examination related programs in college Prospectus. The college has well defined mechanisms to conduct CIE as per the academic calendar. There is a statutory provision by the Examination Committee.

- **Internal examination:** Generally, Internal examination conducted in the month of August and January for each semester respectively in the Academic calendar. But due to pandemic situation, as per the schedule prescribed by the University, the internal examinations of S.Y.B.Sc. and T.Y.B.Sc. were conducted in month of October and March. Internal examinations of F.Y.B.Sc. classes were conducted in month of December and March due to late commencement of term for first year.
- **Annual examination:** - As per the schedule prescribed by the University tenure we conducted the practical and theory examination in month of Oct-Nov. and March-April for Term I and Term II respectively in Academic calendar. But due to late commencement of term for first year, as per the schedule prescribed by the University, the Annual examinations of F.Y.B.Sc. were conducted in month of January and May. F.Y.B.Sc. Semester II and M.Sc. Semester – II & IV Examinations of Term II are conducted offline.
- The results are declared in time.

Department of Physics  
Academic Year: 2021-22  
Report of Continuous Internal Evaluation (CIE)

For the academic year 2021-22, the Department of Physics had conducted the various academic activities for internal evaluation of the students. Department of Physics conducted for 10 online class tests for F.Y. and S. Y. B.Sc. Physics students, one surprise test, 06 assignments and 04 times we conducted the Viva-Voce for practical examination according to the term end exam for F.Y. and S.Y. B.Sc. Physics students. We conducted 6 mock tests for the F.Y. and S.Y. B.Sc. Physics students. This year we have conducted the one day online webinar on Institutional training programme organized by IQAC ,department of physics and Petroleum Conservation Research Association (PCRA) Ministry of Petroleum and Natural Gas, Govt. of India for the physics students

Department of Chemistry

Academic Year: 2021-22

Report of Continuous Internal Evaluation (CIE)

Department of chemistry of KES A. P. Science college have adopted various modes for Continuous Internal Evaluation of the students for this academic year. It includes online unit tests, surprise tests, mock tests, assignments, competitions, seminars, research projects etc. The details of the different modes of Continuous Internal Evaluation used by the department are given below.

**Unit Tests:** All the faculty members of the department have conducted 32 Unit Tests for UG students and 10 Unit Tests for PG students on their respective allotted units.

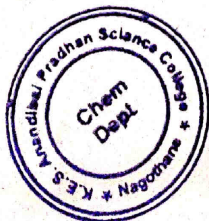

**Surprise Tests:** Faculty members also organized surprise tests. Total 04 Surprise Tests were conducted for UG students and 02 Surprise Tests for PG students.

**Assignments:** Faculty members give assignments to students through Google Class Room. Total 10 Assignments were given to UG students and 02 Assignments were given to PG students.

**Students Webinar:** Department of chemistry organized 'Students Webinar' on the eve of Teachers day on 5th September 2021. Both UG and PG students were participated in student's webinar and presented their allotted topics.

**PPT Presentation:** We have conducted the PPT presentation of 23 PG students. In each semester students have presented their allotted topics of each paper as a part of internal evaluation

**MOCK Tests:** All the faculty members of the department have conducted MOCK test of respective papers using Microsoft teams through online mode. Total 10 MOCK test for UG classes for UG students and 04 MOCK tests for PG were conducted to build confidence among the students for final online examinations.
